

RESOURCE

Engineering & Technology for a Sustainable World
Published by the American Society of Agricultural and Biological Engineers (ASABE)

2017 FEATURE SCHEDULE

JANUARY/FEBRUARY

CELEBRATING SUCCESS

AE50 Awards

Honoring outstanding innovation

- **VisualChallenge6** Finalists
Ag and Bio Engineering Expressed in
Photography and Graphic Design
- Student essay winner: Ethical
considerations impacting the
practice of ag and bio engineering
- Making an award-winning ag video

MARCH/APRIL

- Cuban agriculture
- Second Global Initiative
Conference
- Improving the application
uniformity of center pivots
- The basics of thermal imaging with
unmanned aerial systems
- “Animal Agricultural in a Changing
Climate” extension project
- Dew collection by plastic mulch
films
- Unmanned aircraft pilot certificate
- Role of sensors and bio-imaging
for monitoring food quality

MAY/JUNE

- Biomass flowability
- Solar cooking
- New ag engineering program:
University of Wisconsin River Falls
- ISO standards for mowers and
balers
- The U.K. and the E.U.: keeping up
standards
- Bioenergy crop profitability
through equipment innovation
- KSU International Feed the Future
Lab – a focus on reduction of post-
harvest loss
- **Guide to Consultants** supplement

JULY/AUGUST

- See & Spray technology
- Precision irrigation for water
savings
- Whole orchard recycling
- ASABE’s Giving Back Fund update
- **AgRover!**
- Precision ag research at California
State University, Fresno
- Diffusion of poverty-alleviating
solutions
- Nitrate-N loss reduction in the U.S.
corn belt

SEPTEMBER/OCTOBER

Special Issue

EXPLORE Careers in Agricultural Technology and Systems Management

- Profiles of students and recent
graduates
- First-hand accounts of internships
and study-abroad experiences,
companies hiring, and FAQs for
prospective students.
- Universities and colleges offering
programs

NOVEMBER/DECEMBER

Special Issue

Agricultural Safety and Health

Engineering aspects of safety
and health/ergonomics for
users of equipment and facilities,
within the industries served by
the Society and beyond,
with focus on new initiatives
in this arena
