

RESOURCE

Engineering & Technology for a Sustainable World
Published by the American Society of Agricultural and Biological Engineers (ASABE)

2018 FEATURE SCHEDULE

JANUARY/FEBRUARY	MARCH/APRIL	MAY/JUNE
<ul style="list-style-type: none"> • AE50 Awards <i>Honoring outstanding innovation</i> • VisualChallenge7 Beyond the words: Ag and bio engineering in the viewfinder • Student ethics essay winner "Fighting the right to repair: The perpetuity of a monopoly" • Helping students of low socio-economic status succeed in STEM <i>A new way to predict collegiate success</i> 	<ul style="list-style-type: none"> • Process control in microbial fermentation • University of Illinois project-based South African study abroad program • University of Kentucky goes to Germany • Global Initiative Conference report, Stellenbosch, South Africa • Agricultural machinery engineers meet in Hannover • Engineering the design of buffers and vegetative filter strips • Open Source is the future 	<ul style="list-style-type: none"> • Big Data: What is it? Is my data big data? • Corn stover fire tests • Interconnectivity of future farms • Polymers ... CO₂ injection ... increased productivity/yield • Report: Opportunities in the Food-Energy-Water Nexus • "Africa's Norman Borlaug" Akinwumi Adesina of Nigeria • Sustainable infrared peeling technology for vegetables and fruits • Guide to Consultants supplement
<p>JULY/AUGUST</p> <ul style="list-style-type: none"> • Biosensors: The future of agro-defense? • Member profile: Yoshisuke Kishida • Safety standards saving lives • Down the drain-tile history • Safety standards save lives • "EvaKuula" keeps it cool! 	<p>SEPTEMBER/OCTOBER <i>Special Issue</i></p> <p>DISCOVER Careers in Agricultural and Biological Engineering</p> <ul style="list-style-type: none"> • Profiles of students and those in the profession • Opportunities for internships and studies abroad • Leading ABE universities and colleges • Insights on choosing a major, working through the coursework, and jobs awaiting graduates 	<p>NOVEMBER/DECEMBER <i>Special Issue</i></p> <p>Start-Ups</p> <p>Entrepreneurial ag and bio engineers ... with stories to tell</p>
