

2017 ASABE Robotics Student Design Competition

Registration Form

Thank you for your interest in the ASABE Robotics Student Design Competition! Please fill out this form to register for the competition and submit it to jtrotochaud@gmail.com **no later than January 24, 2016**. There is no fee associated with registration, but we need to know how many teams will be competing to reserve enough space and time at the ASABE Annual International Meeting to host the competition.

Team Information

Please enter a team name (if you have one). The team name can be whatever you want. Also enter your University and how many members you plan on bringing to the competition. Keep in mind that you can only have 4 people assisting with the setup of your robots for each time trial, although more may be on-hand to assist with assembly and testing prior to the trial runs.
