

POSTER SESSION

Agricultural Equipment Technology Conference
Seelbach Hilton, Louisville, Kentucky

Several technical sessions are planned to focus on equipment (forestry, agriculture, processing), instrumentation, engineering practices, logistics, and sustainability. The attendees in AETC are engineers and technical managers mostly from manufacturing and related businesses.

Researchers and practitioners are invited to present their work in the form of poster presentations in this event.

Poster Board Size: 7 ft wide by 3 1/2 feet deep
