

AMERICAN SOCIETY OF AGRICULTURAL & BIOLOGICAL
ENGINEERS

INTERNATIONAL MEMBERSHIP APPLICATION
FOR LOW-INCOME COUNTRIES

ASABE would like to extend an invitation to you to join our society through a special dues rate for members from low-income, low-middle income and upper-middle income countries as defined by the World Bank based on per capita income. Membership is electronic only. Members will receive full benefits with voting privileges and will receive a welcome packet with certificate, pin and member card soon after joining. You will access ASABE's magazine, *Resource* through our Web site at www.asabe.org and will be mailed nothing, except for an occasional written ballot as directed by the ASABE Constitution. **You must be a national living and working in your home country to qualify for these special dues rates.**

ASABE's dues are invoiced annually and are based on the calendar year. The dues structure (US\$18, US\$41 or US\$65) is based on the World Bank's income classifications, your national origin and whether you are living **and** working in that country. To determine your dues rate, please see the attached list of countries.
