The Convention and the Executive Council shall have control of all matters and affairs pertaining to the Society, as a whole, but shall not interfere with the internal affairs of any chapter, except in matters of discipline as hereinafter provided.

Section 2

The Convention shall meet annually and shall be presided over by the Executive Council. Each chapter may be represented by one or more delegates at the meeting and, if represented, each chapter shall have one vote. Each Executive Council member shall also have one vote. A quorum shall exist when at least one-quarter of the active chapters are represented at the Convention. No chapter or delegate may vote by proxy.

Section 3

The Convention:

(a) Shall elect the Executive Council and may adopt rules for the conduct of its business and such other matters as may properly come within its jurisdiction and are not hereinafter set forth.

(b) Shall consider and vote on all petitions for new charters and the abolishment of chapters.

(c) Shall levy such assessments upon the chapters as may be necessary for its own support and that of the Executive Council.

(d) Shall be the final Court of Appeal in all questions of interpretation of the constitution and Bylaws and in all matters of discipline.

(e) May enact general Bylaws for the Society.

(f) May amend the Constitution and Bylaws as set forth in Article XI of the Constitution and Article VI of the Bylaws.

Section 4

(a) The Executive Council shall consist of a President, Vice-President and Secretary-Treasurer. The Vice-President and Secretary-Treasurer shall be elected at the annual Convention and the Vice-President shall assume the office of President after one term as Vice-President. The terms of the President and Vice-President shall be limited to two years and that of the Secretary-Treasurer shall be 5 years. Members of the Council shall be alumni or honorary members of the Society or active members who have been members of the Society for at least one year prior to their nomination for office.

(b) The nomination of Executive Council members may be made by any Chapter and shall be submitted to the Executive Council at the annual national convention. Any unsuccessful nominee for higher office can be considered by motion from the floor for a lesser office.

(c) In submitting nominations, a chapter shall vouch for the willingness of its nominees to serve actively on the Executive Council, if elected.

(d) The new Executive Council shall take office immediately following the Convention at which they are elected. They shall serve until their successors are duly elected and installed.

(e) Vacancies in the Executive Council shall be filled by appointment by the remaining members of the Council. The appointed members shall serve until the next Convention.

(f) The Executive Council shall have its official headquarters at the office of the Secretary-Treasurer.

Section 5

(a) The Secretary-Treasurer shall be elected and hold office as provided in Section 4 of this article.

(b) As Secretary, the Secretary-Treasurer shall:

1. Keep the official copies of the Constitution and Bylaws of the Society, the seal of the Society, and all official documents belonging to the Society.
2. Conduct the correspondence of the Society and transmit to the chapters written materials pertaining to the Society.
3. Transmit exact copies of the Constitution and Bylaws and other Society material to prospective chapters upon request.
4. Supply to each chapter secretary a quantity of membership certificates for its initiates.
5. Prepare and present a written annual report to the Executive Council at the annual convention.
6. Maintain a record of the names and initiation dates of all members of all chapters.

(c) As Treasurer, the Secretary-Treasurer shall:

1. Keep financial records of the Society in a business like manner.
2. Collect from the chapters all monies due from them to the Society for fees, dues, jewelry, materials, and other supplies furnished to them.

Any of such assets not so disposed of shall be disposed of by the Court of Common Pleas of the county in which the principal office of the organization is then located, exclusively for the purposes or to such organization or organizations, as said Court shall determine, which are organized and operated exclusively for such purposes.

Article 5 - Establishment of Chapters

Section 1

A Chapter shall be established after acceptance by the Convention of the petition for a charter. A charter shall be granted only by a three-fourths majority vote of all chapters.

Section 2

(a) A petition for the establishment of a chapter may be made by students and graduates of recognized Agricultural, Food, or Biological Engineering curricula at any college, provided they are eligible for membership under Article VI. Agricultural, Food, or Biological Engineering curricula are those that meet the criteria of the Accreditation Board for Engineering and Technology (ABET). Specifically, the curricula must emphasize the application of engineering and the basic and applied sciences to agricultural, food, or biological systems. These program criteria apply to engineering programs including "agricultural", "food", "biological", "biosystems", "forest", and similar modifiers in their titles. The petition shall be addressed to the Secretary-Treasurer of Alpha Epsilon, and shall be received no later than eight weeks prior to the annual Convention. The petition shall pledge a willingness to subscribe to and obey the Constitution and Bylaws of the Society. It shall contain a certified statement from the head of the petitioning Department attesting to the eligibility of each of the petitioners.

(b) The petition shall be accompanied by an official statement describing the grading system used in the institution. If the institution at which a Chapter is desired does not employ one of the usual alphabetical or numerical percentage systems of reporting grades, the petitioners may present a plan for determining the rank of the student under the system used at the institution. This plan, having been adopted for the chapter at the institution and approved by the Society, shall be followed until amended by the Society.

Section 3

Upon approval of a petition by the Convention, the petitioners shall submit each chapter copies of the petition, a proposed chapter constitution, and other pertinent material, for study and discussion by the Chapters. This material shall reach the chapters within eight weeks following the Convention at which the petition was approved. Within eight weeks, each chapter shall advise the Secretary-Treasurer by letter, of its acceptance or rejection of the petition.

Section 4

When a petition for a new charter is approved by a sufficient number of existing chapters, the Secretary-Treasurer shall prepare an official copy of the charter, and a copy of the Constitution and Bylaws. The President shall appoint a delegation to deliver these documents, initiate the new members, and install the petitioners according to the rituals and ceremonies of the Society.

Article 6 - Government of Chapters

Section 1

Section 2

The chapter offices shall be president, secretary, treasurer, and others as deemed necessary by the local chapter.

Section 3

Officers shall be elected at least annually from the active members.

Section 4

The chapter shall have at least one faculty adviser, to be elected by a majority vote of the active members.

Article 7 - Membership

Membership shall be based upon scholarship, leadership, and character. Membership shall consist of three classes, namely, Honorary, Alumni, and Active.

(a) Honorary members shall be selected on the basis of successful achievements in Agricultural Engineering.

(b) Active members shall be undergraduate and graduate engineering students enrolled in the academic department in which the Chapter resides.

1) Juniors shall have a minimum cumulative scholastic rank in the upper quarter of the college class in which enrolled.

2) Seniors shall have a minimum cumulative scholastic rank in the upper third of the college class in which enrolled.

3) Active members may be chosen from among graduate students in the academic department in which the Chapter resides who would have met the requirements for membership as undergraduates at the institution they attended, had the organization existed there at that time.

4) Graduate students not eligible for membership as undergraduates will be eligible after the completion of at least seven semester hours (ten quarter hours) of graduate course work with a minimum grade point average equivalent to 3.25 on a 4.00-point scale.

(c) Alumni members of a chapter are those who (1) have been active members of the chapter, (2) attained at least a baccalaureate degree, (3) and have left the institution where initiated into the Society. A member may be an Active member of one chapter and Alumni member of another if he or she transfers the graduate work to an institution that has a chapter of Alpha Epsilon.

Article 8 - Meetings

Each chapter shall hold at least four meetings per year of a business, literary, or technical character.

Article 9 - Chapter Discipline

Section 1

Disciplining of a chapter shall be by suspension or by revocation of its chapter.

Section 2

If twenty alumni members or three chapters report in writing an instance where a chapter has acted in violation of the constitution or the best interest of the Society, the chapter shall be required to give the Executive Council reason why its charter should not be suspended. The Executive Council may in its judgment suspend the charter and at the next Convention, the Council will make a detailed report of the complaint against the chapter and the chapter response. The official chapter delegate, and other members may plead the chapter's case. The chapter may be expelled or reinstated by three-fourths majority vote of the total number of chapters.

Article 10 - Member Discipline

Section 1

The Method of discipline of members shall be suspension or expulsion.

Section 2
