

RESEARCH POSTERS

If you are offering a research poster, you may submit a traditional ASABE paper (but this is not required). Each poster presenter will be provided a 8-foot wide by 4-foot deep poster board. Poster boards will be of neutral color. You can affix your presentation by push pins or thumb tacks.

“NEW” Free-for-All POSTER SESSION

“News to Share” POSTERS

Don't miss this opportunity to present your work or business to leading engineers involved in agricultural equipment design, development, manufacturing and research. Proposals are welcomed from both industry and the public sector, including non-ASABE members.

We're looking for

- Students and seasoned researchers
- Representatives of institutes, universities and government agencies
- Suppliers of components or whole-goods who wish to share new research, promote your business or university, or show or share what products are available from your business.

ASABE will honor the early bird registrations prices for participants of the poster session until December 11, 2009.
