

## ASABE CHICAGO SECTION MARCH 2006 MEETING

**WHAT: Oberweis Dairy**

Processing milk in glass bottles since 1927, Oberweis Dairy is a family owned and operated business with close to 40 retail locations and providing home delivery services. Bob Renaut, President & CEO, will provide a detailed tour of the dairy plant, which was expanded in 2005. The plant processes milk delivered daily from farms, where it is pasteurized, homogenized, and bottled in half-gallon glass bottles. These milk bottles are returned for re-use and are washed and sterilized. The plant also produces premium ice cream.

**WHEN: Wednesday, March 29, 2006**

**WHERE: Oberweis Dairy**  
**951 Ice Cream Drive, Sweet One**  
**North Aurora, Illinois 60542**  
**(630) 801-6100**  
**Web: <http://www.oberweisdairy.com>**

## About Oberweis Dairy

Oberweis is a full-service dairy committed to serving the freshest dairy products possible. In 1915, Peter J. Oberweis found that he had too much milk so he began selling it to neighbors. In essence, the family dairy business that now spans almost 100 years had begun.

The Oberweis family has been delivering milk to homes since 1927 when Peter bought a half partnership in the Big Woods Dairy. A few years later he bought the entire enterprise and renamed it Oberweis. The business remains a family owned and operated. Over the years they have gone from the nostalgic horse and milk cart, to the Model T, to the milk trucks of the 50's, and on to more modern home delivery trucks in use today.

A bigger, better facility was built, the product line expanded, and retail stores opened where people can purchase their award-winning milk in glass bottles and super-premium ice cream.

Whether delivered right to your door, or visiting one of the dairy stores, you can be confident that Oberweis quality and service will always be "Simply the Best".

### DIRECTIONS:

Take I-88 to Lake Street (Route 31) exit, just west of the Fox River. Turn left from the exit lane stoplight and proceed north to the next stoplight (Airport Road). Turn left on Airport Road and proceed to Alder. Turn right on Alder to Ice Cream Drive. Turn left on Ice Cream Drive and proceed to last entrance on left before the stoplight.

ASABE will be providing receipts for the purpose of documenting attendance and participation for PDH (professional development hours) for Registered Professional Engineers.
