## 2019 Editorial Calendar

### January/February

**Celebrating Success**

- **AE50 Awards**
  Honoring outstanding innovation
  - VisualChallenge8 Finalists
  - Ag and Bio Engineering Expressed in Photography and Graphic Design
  - Student essay winner
  - Achieving Balance in Your Early Career

### March/April

**WOMEN IN AG**

Kati W. Migliaccio, guest editor

*From the classroom to the farm to the boardroom, women in agriculture are helping to pave the way for a better future making sure the next generation of women are educated, encouraged, and empowered to take on the challenges of meeting the world's growing food, fuel, and fiber needs. Success stories abound.*

**Updates!**

*What are ASABE members up to? The long, and mostly the short of it, brings into focus the current research, university, and agribusiness topics in ag and bioengineering news.*

- **Guide to Consultants** supplement

### July/August

- Safety standards saving lives
- Down the drain-tile history
- Agbots in competition
- Nanotechnology's potential for enhancing the food industry
- Call for Entries: VisualChallenge9

### September/October

**CAPSTONES**

Whether they're called senior capstones or some other name, these culminating experiences ask students nearing the end of their college years to create a project that integrates and synthesizes what they've learned. Stellar examples of senior capstones: awe-inspiring.

### November/December

TBA
